Handed in a Sealed Verdict.

TACOMA (Wash.), Nov. 26.—The jury in the George E. Hart millionaire suit handed in a sealed verdict this morning. The same will be opened to-morrow. It is stated that a verdict will be found for Mr. Hart and against several fire insurance companies, members of the Pacific Insurance Union, which refused to pay \$10,000 insurance on the burned property. It was alleged that Hart either burned or caused the mill to be burned.
